Global Landscapes Forum: ‘Partnering with dryland communities to overcome protracted crises’

SPARC hosted a plenary at the 2021 Global Landscapes Forum (GLF) digital conference.

Event date and time

[Reframing aid and resilience](#) [Supporting livelihoods and markets](#) [Understanding land and conflict](#)

The online event explored the persistence of protracted crises, insecure land rights, and environmental fragility on the livelihoods of pastoralists across Africa’s drylands. Speakers also discussed the role that sustainable innovations can play to build the resilience of dryland communities. The event was part of GLF 2021 Africa, ‘Restoring Africa’s Drylands: Accelerating action on the ground’.
